You don't want to miss a thing, so walking and standing for longer periods of time (2-3 hours) isn't a big deal. A moderately paced two-and-a-half-hour walking tour, covering several miles, hills, and uneven surfaces, is no problem for you. Walking four miles over the course of a day is very doable, as is climbing into and out of various modes of transportation (tuk-tuk, cable car, zodiac, etc.). You can climb three flights of stairs easily and handle altitudes between 6,000 and 9,000 feet. The visit to National Park Krka will require you to climb several flights of stairs without assistance of handrails at times. The Blue Cave requires you are able to use a non-stationary gangway that requires some agility. Expect some longer days with early mornings or late nights balanced with free time to recharge or set out on your own adventure. This level is not a fit for travelers who require mobility assistance devices. If you require any special assistance while on tour, please make us aware at time of reservation so the necessary request form can be sent to your attention.

The days and order of sightseeing may change to best utilize your time on tour. Order of sightseeing on board the ship may vary based on departure and weather conditions and is at the sole discretion of the cruise line.

*Both the boat ride to Skradin and the Blue Cave operate on a weather-permitting basis and depending on water conditions.

Embarkation in Dubrovnik is upon arrival; however, cabins will not be ready for check in until after 1:00 p.m. Luggage can be left on board. Disembarkation in Split is at 9:00 a.m.

Cabins are available on the Standard Deck. Upgrades may be available to Main Deck. Cruise ships have a limited quantity of cabins available in each category. We will make every effort to accommodate your cabin category preference at time of booking. If the cabin category preferred is not available, the next closest category available will be offered and a surcharge may apply. Stateroom numbers will be supplied upon arrival at the ship.

Single accommodations are limited and are available on a first come, first served basis. Single rate subject to change based on availability. Triple rooms are not available.

To complete your tour, we include roundtrip airport-to-hotel transfers when purchasing our airfare with your tour. If you have arranged for your own air, we are pleased to provide you the option of purchasing these transfers. Please note that all transfers will leave at pre-scheduled times.

Onboard gratuities are not included in the price of your tour. Suggested tipping on board cruise: 13.50 US dollars (10-12 euros) per person for each day for the cruise

staff. This can be made in a single payment in euros or US dollars at the front desk at the end of your voyage or by the envelopes provided in your cabin.

For air-inclusive reservations, the name provided at time of booking must match your government-issued ID that will be used during travel. Name changes are subject to penalties.

Air passengers will arrive into Dubrovnik airport and depart from Zagreb airport.

Please be advised many airlines do not provide advance seat assignments until check-in at the airport. Advance seating will be subject to the airline's terms and conditions.
